18 May 2017

Dear Industry Executive,

The Army Engineer Association is again proud to support the 2018 Army Engineer Regiment's Best Sapper Competition team awards. We need your sponsorship support to reward the many outstanding Soldiers participating in this year's completion.

This important Regimental event is a continuous 50 hour event conducted annually to challenge, test and select the best two-Soldier buddy SAPPER team in the Army. The inaugural event was first held at Fort Leonard Wood in April 2005, and the winners were recognized at the AUSA annual convention in Washington, DC.

We ask that your firm consider sponsoring one of the sponsorship opportunities listed on the enclosed sponsorship application. Your sponsorship optimizes your firm's branding and marketing opportunity within the U. S. Army Engineer Regiment. The sponsorship deadline is 16 March 2018, so please FAX your completed form, email us or call 573-329-6678.

The Army Engineer Association is recognized by the Internal Revenue Service as a 501© (3) Non-profit organization and your sponsorship maybe tax deductible. Please reference the Federal ID Number 54-1615466 for your records.

Sincerely,

A handwritten signature in black ink, appearing to read "Julius B. Nutter".

Julius B. Nutter
CSM, US Army Retired
Director Regimental Operations
