10 Oct 2021

Dear AEA Supporting Firm Member,

The Army Engineer Association is again proud to support the 2022 Army Engineer Regimental awards as part of Regimental week at Fort Leonard Wood MO and other recognition programs throughout the year. Regimental week will start on 25 April 2022 this year. We need your sponsorship support to reward the many outstanding members of the Engineer Regiment in the Active, Reserve and National Guard Components of the Engineers. Details and an agenda will be published when finalized by the US Army Engineer School.

The 2021 Winner and sponsors for this years awards are listed in the Oct 2021 Issue of our magazine. They are on pages 20-22 of the issue. [Army Engineer Association Oct 2021 – Army Engineer](#)

We ask that your firm consider sponsoring one of the sponsorship opportunities listed and complete the accompanying sponsorship application. We could use your support this year as we are able to recognize these excellent Soldiers and Civilians of the Engineer Regiment. Your sponsorship optimizes your firm's branding and marketing opportunity within the U. S. Army Engineer Regiment. The sponsorship deadline is 15 July 2021, I can be reached at 703-428-6049 to answer any questions.

The Army Engineer Association is recognized by the Internal Revenue Service as a 501(c) (3) Non-profit organization and your sponsorship maybe tax deductible. Please reference the Federal ID Number 54-1615466 for your records.

Sincerely,

/s/

David Theisen
Colonel, U.S. Army Corps of Engineers, (Retired)
Executive Director
